# SAN NICOLAS COMMUNITY PAPER

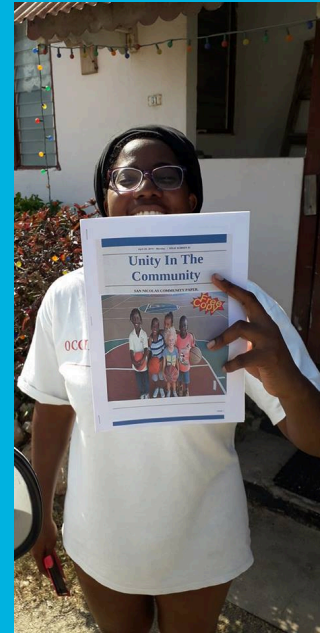

## Refinery! Tear Down Those Walls!

It has come to our attention that the refinery land will soon be open and developed. The community will be able to have a view of the beach from the streets of San Nicolas as the walls will be thorn down.

Our question now for those involved is that "IF" the community will be able to access this beach, or do you have plans for it like they did with baby beach? We seriously hope that this land will NOT be another "See, But Don't Touch" project for the community?

## Kids Parade Town Get's A New Route

It's no secret that the kids parades are in a drastic decline, you don't need anymore proof than carnival 2020 were we will only see 3 groups participating. For this same reason the carnival committee has decided to make the route shorter for the kids. here is the new route:

Aruba Entertainment Center Dakota – Avenida Milo Croes – Vondellaan – L.G. Smith Blvd. – A. Lacle Blvd. – Wilhelminastraat – Avenida Milo Croes and will finish at Aruba Entertainment Center Dakota.
